Report of Principal and School Improvement Council

Crosswell Elementary, a 4K-fifth grade school, served 496 students. With a focus on respectful behavior, we challenged our students to "Rope the 3R's of Success" and be ready, responsible, and respectful.

We continue to have an active PTA and School Improvement Council. Our PTA purchased swings to enhance the playground. A Family Fun Night and Library Night were sponsored by the SIC to encourage family participation and literacy. The Parenting Education Program joined the Crosswell campus aiding in the education of Pickens County's youngest students.

Teachers continued to advance their skills in the areas of technology and assessment. The addition of Promethean boards and laptops created technology-rich environments for students to be actively engaged in learning. Teachers continued the use of MAP assessment data to differentiate their instruction and create prescriptive lessons. A grant was received by our guidance counselor allowing students to gain knowledge about disabilities. Two teachers were selected to participate in the Roper Mountain Science P.L.U.S. Institute. Three teachers earned National Board Certification bringing Crosswell's total to seven.

Students were afforded opportunities through extra-curricular activities such as chorus and walking club. Programs such as Safety Patrol and Cub Citizens fostered leadership development in our students. Student artwork was displayed in the local hospital, art museum, and school district administrative office. Three students were chosen to participate in the Lakes and Mountains School of Arts summer program, and three students were selected to perform in the SC All-State Elementary Honor Choir.

School-wide service learning projects were encouraged. Crosswell students and staff raised monies to support the American Cancer Society, March of Dimes, Shriner's Hospital, and United Way. Students also participated in food drives and beautification projects, such as the addition of the Carolina fence on our Nature Trail.

Crosswell was recognized on the national level for the second time receiving the Core Essential Award for character education through Chick-fil-A. Curriculum Advantage bestowed national honors on Crosswell for having educators committed to excellence in education with Classworks, a computer software program.

Crosswell will continue to provide a quality education, search for ways to best meet the needs of our students, and strive to be a valued partner with our community.
